 My LinkedIn  Shivani.thali@gmail.com  Brooklyn, NY

Data-driven marketing and digital strategy professional with 3 years of experience in growth marketing and analytics within B2B Engineering Consultancy. Achieved 37% revenue increase through strategic proposal development and contract acquisition. Enhanced website CTR by 5% through SEO, landing page optimization and A/B testing. I Manage internal communications and operations for over 30+ client projects across private and public sectors. Skilled in leveraging qualitative and quantitative research to enhance social media strategies and campaign optimization by integrating AI-driven tools.

PROFESSIONAL EXPERIENCE

Sr. Marketing Specialist, NY Building Systems Consultant Inc. 	02/2024 – Present NYC
Digital Marketing, Analytics & Growth Strategy:	
- Managed LinkedIn, Facebook, and email marketing campaigns, executing A/B testing and tracking marketing analytics that improved website CTR by 5% - Led SEO optimization and Landing page enhancements using WordPress, A/B testing and increasing engagement and supporting organic digital growth. - Utilized GA4, Tableau, HubSpot-Marketing, Excel, and AI-driven marketing tools to support campaign reporting, customer insights, and digital growth initiatives. - Developed brand collateral, brochures, capability statements, and trade show marketing assets to strengthen brand visibility and stakeholder engagement	
Business Strategy, Research & Client Operations:	
- Created tailored RFQs, RFPs, proposals, and presentations for public and private sector bids, contributing to 33% growth in contract acquisitions and 37% revenue growth using Indesign and Canva. - Conducted qualitative market research, designed customer surveys using Qualtrics, and analyze industry trend analysis using EPRI, E-Source and collaborated with NYSEDA, ConEd, and National Grid to support B2B customer persona developments and green energy initiatives - Managed client accounts for NYC DEP, FirstService Residential, NYPD, and JFK, overseeing deliverable submission, invoicing, bookkeeping, and operational coordination across 30+ concurrent projects.	
Marketing & Communications Associate, Kasirer	09/2023 – 12/2023 NYC
- Developed LinkedIn and email marketing campaigns highlighting firm accomplishments and employee initiatives while generating Excel-based marketing analytics reports to track campaign performance against KPIs. - Drafted official writeups and communications for press conferences and New York City Council hearings, supporting environmental policy advocacy initiatives and strengthening stakeholder communication through timely content delivery	
Digital Marketing Intern, Newmark 	06/2023 – 08/2023 NYC
- Developed and executed a data-driven social media content strategy for Newmark’s retail Instagram page, leveraging competitor analysis, marketing analytics, and on-site web optimization to increase engagement and improve digital visibility - Supported primary and secondary marketing strategy initiatives for the commercial real estate group by conducting market research, stakeholder communications, and submarket analysis using company databases, CoStar, and CBRE market intelligence platforms	
Content Writing Intern, BLFT Advisors	04/2021 – 06/2021 Mumbai, India
Contributed to content strategy by writing editorial blogs on notable personalities and localizing regional-language video content into English transcripts, supporting audience growth and digital visibility for an early-stage startup.	
Brand Ambassador, Unschool 	02/2021 – 04/2021 Mumbai, India
I served as a sales representative by conducting outbound Text and cold calling and a community influencer by engaging in affiliate marketing to achieve a 100% conversion rate on outreach efforts by successfully converting 2 of 2 target customers to buy Edtech courses.
